Customer Problem Statement

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	An employee requesting network connectivity or access changes	Request enterprise network connection or configuration changes	Manual requests via emails or unstructured forms lack technical parameters	Mandatory device details, connection types, and approval validations are not systematically enforced	Frustrated by delayed fulfillment and lack of real-time request tracking

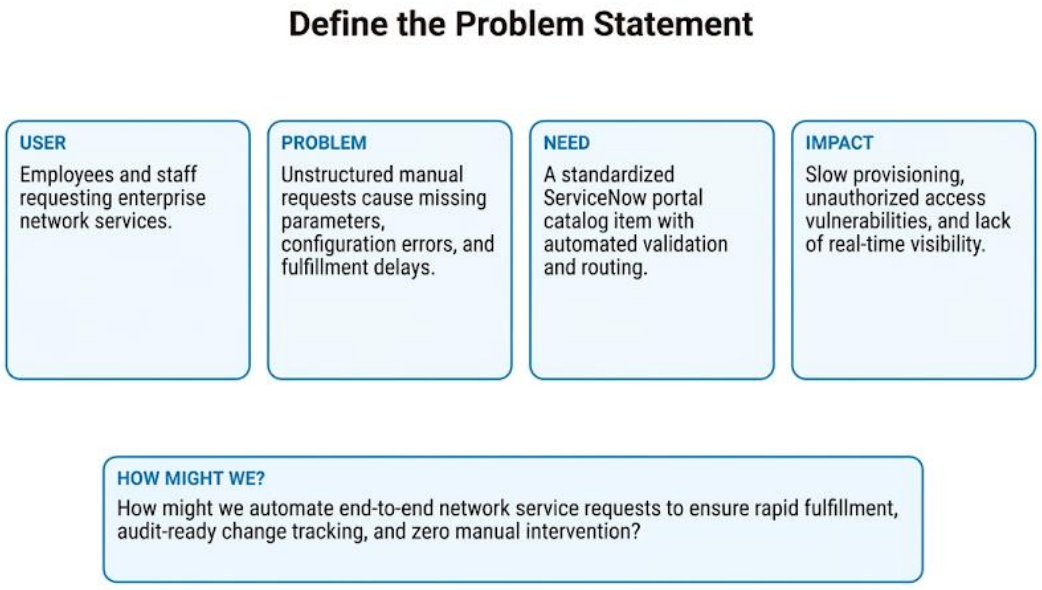

Figure 1: Problem-definition canvas for the Automated Network Request Management project.
